To The Culinary Academy,

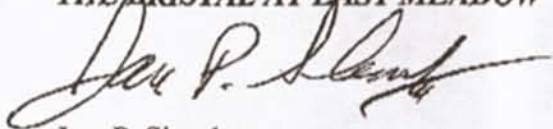

It has been a pleasure providing stewardships and eventual employment for some of your students at The Bristol at East Meadow. Each student in the program has showed excellent potential in the culinary field.

The Bristol would highly recommend giving the students coming from your school an opportunity for employment.

Should you have any questions, please feel free to contact me at 516-542-0800.

Sincerely,

**THE BRISTAL AT EAST MEADOW**
