

Dear Mr. Levitt,

I attended Culinary Academy in March of the year 2006. I graduated in November 2006 under Chef Nick. I did my 300 hour internship at the Hilton Garden Inn Hotel in Ronkonkoma NY. I attended Cobleskill University before choosing Culinary Academy and was happy with my choice of leaving Cobleskill and switching into Culinary Academy. The skills and knowledge I learned in the professional program was outstanding. Chef Nick was great with our class and was able to teach us everything we needed to know to start ourselves in the culinary world. Culinary Academy always had the tools and supplies we needed to perform our daily tasks whether it was cooking or cleaning. I was very happy with my decision on choosing Culinary Academy and will remember everybody from that school forever because I got something great out of that school. And to show proof of how good my education was I am 20 years old and am the Executive Chef of the Hilton Garden Inn Hotel currently. I have been working there for almost 2 years now and love everyday when I walk into work.

Thank you for allowing me to receive my education from Culinary Academy Mr. Levitt

Sincerely,

Chef Dan Weiss
